We may perhaps consider the question in the first week of October 1938. It is not known whether such a long period (about a year) was contemplated when the Committee was constituted.

of the Council at whose instance the proposals have obviously been made, apparently considers that the work of the Council will go on till about March 39. There is nothing unusual about this, considering the importance of the questions to be considered, the number of witnesses to be examined and the report to be drawn up. The proposal may therefore be accepted. The Expre is unavoidable.

Submitted to His Highness.

The Committee appointed in G.O. No.2691-2751/C.B. 165-37-1 dated 1st April 1938 for examining the working of the Constitutional Assemblies in the State and making suggestions in regard to further reforms has been sitting for some months past. With a view to providing the necessary funds for the expenses of the Committee, the Secretary of the Committee was requested to indicate the period that may be needed for the Committee to complete its labours and the establishment charges and other items of expenditure that may have to be incurred in this connection. The reply received from the Secretary is submitted herewith for gracious perusal. It is seen therefrom that the Committee do not expect to be able to complete their task before the end of March 1939 and the Secretary estimates that the expenditure on this account during the year 1938-39 may amount to Rs.28,593/-.

Considering the importance of the questions to be considered by the Committee, the number of witnesses to be examined, etc., it is quite likely that the Committee will have to sit till the end of March 1939 and the expenditure referred to is inevitable. It is therefore proposed to accept the estimate of the Secretary and authorise the necessary provision of funds under "12 General Administration 3 - Legislative Council etc." in the current year's budget.

A demand for the additional grant that may be required under this head over and above the existing provision will be placed before the next Legislative Council in due course.

The above recommendation is agreed to by the Dewan and the Second Member of Council and it may be graciously approved.

My dear Sir,

With reference to your D.O.letter No.604 dated the 22nd/23rd August 1938 forwarding a copy of Government Order No.602-3/C.B.165-37-13 dated the 22nd/23rd August 1938, sanctioning the continuance of the establishment working under the Committee till the end of October 1938, I am desired to state that the work of the Committee is still in its initial stages and that the examination of witnesses and general discussions alone would extend till the end of December 1938, while the settlement of details and discussion of the report may engage the Committee up till the end of March 1939. So far as could be foreseen at present, it may not be possible for the Committee to complete their task before the end of March 1939.

(in duplicate) An estimate of the expenditure that will have to be provided for on this basis in the current year's Budget, together with an explanatory memorandum is enclosed herein as desired. The total provision that

that would be required up till the end of March 1939 will in round figures be about Rs.28,500, out of which the Travelling Allowance, to members and witnesses alone may come to Rs.16,500. In preparing the statement, the minimum requirements of the Committee have been kept in view. No reduction of the scale of establishment would be practicable. On the other hand, the increasing work of the Committee may, in all likelihood, necessitate the sanction of one or two additional hands in the near future.

Yours sincerely,

Explanatory Note to accompany the estimates of expenditure from 1st July 1938 to end of March 1939.

Items I and II.- Salaries and Establishment.- The amounts provided are as per sanctioned scale.

Item III.- Contingencies.- The amount which was sanctioned last year was Rs.100/- per month. An increased provision is proposed at Rs.200/- per month in view of ~~an~~ enhanced lunch charges which may come every month to Rs.150/- at Rs.25/- per meeting for six meetings; in addition, telephone charges of Rs.15/- per month have to be met and the balance will be required for the usual contingent expenditure.

Item IV.- Travelling Allowance to members.- For each journey made to and fro by the mofussil members for a session, the railway fare at admissible rates comes to Rs.500/- in round figures. The Daily allowances admissible for sittings to the Chairman and the members come to Rs.182-8-0 per day of sitting. For the months of ~~June~~, July and August, the charges for the actual number of meetings held have been shown. Provision has been made for two sessions of three days each every month from September onwards, excepting October during which there may be only one session. It is not possible to anticipate exactly how many meetings in all might be held by the Committee and the present estimates are based on a rough calculation of probabilities.

Item V.- Lumpsum provision.- In a file already submitted, sanction has been sought for the payment of Travelling Allowances at certain rates to witnesses who may be called up before the Committee. It is likely that about 30 witnesses from different parts of the State may be asked to appear before the Committee and the Travelling Allowance charges on this account may come to about Rs.900/- In addition, a sum of Rs.300/- is required for the purchase of reference books.

It is not possible to anticipate exactly how many meetings in all might be held by the Committee and the present estimates are based on a rough calculation of probabilities.

Item V.- Lumpsum provision.- In a file already submitted sanction has been sought for the payment of Travelling Allowances at certain rates to witnesses who may be called up before the Committee. It is likely that about 30 witnesses from different parts of the State may be asked to appear before the Committee and the Travelling Allowance charges on this account may come to about Rs.900/- In addition, a sum of Rs.300/- is required for the purchase of reference books.
